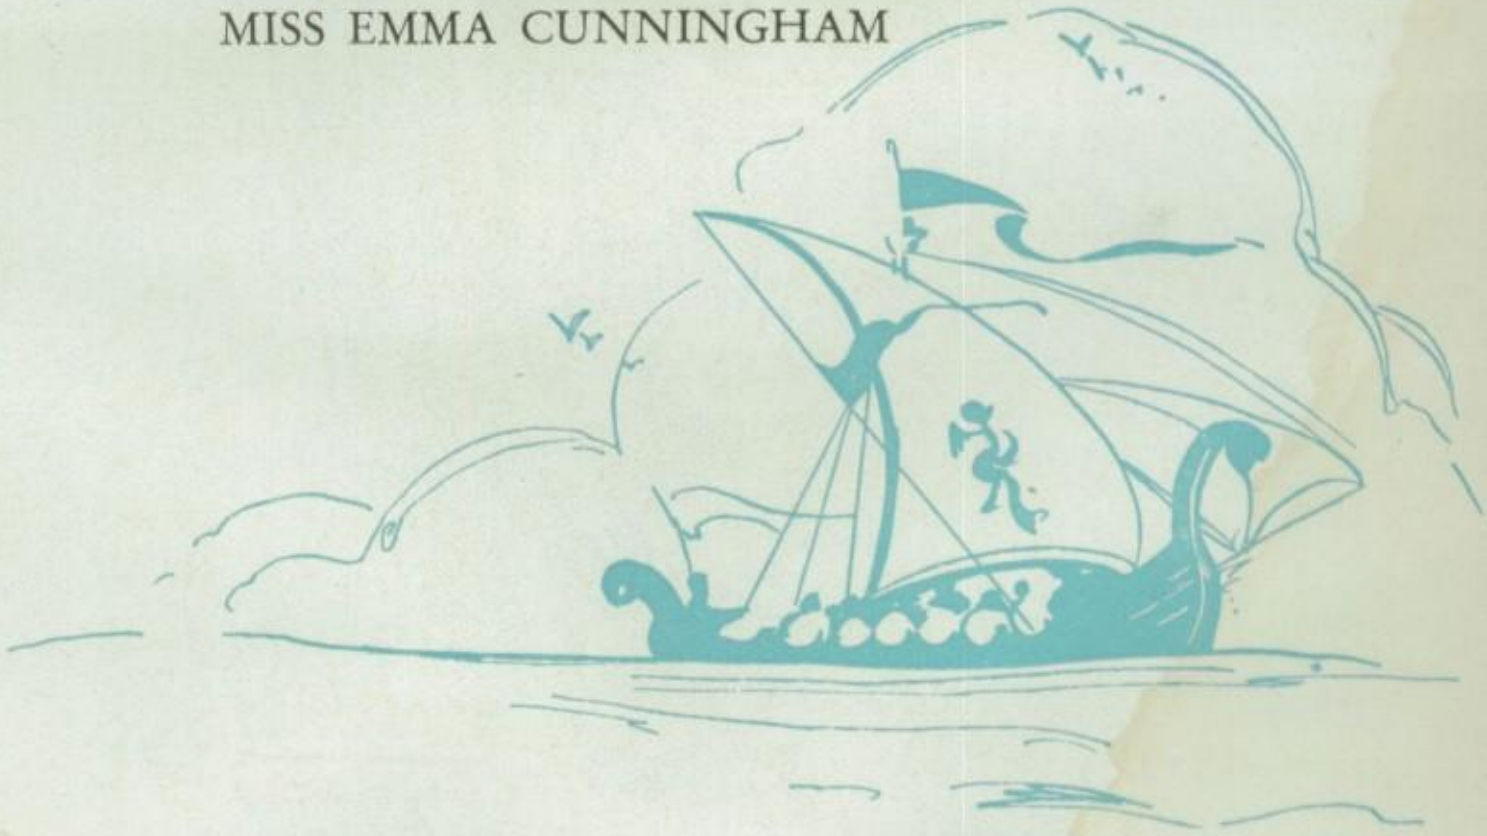
MISS EMMA CUNNINGHAM



Dedication

To Miss Emma C. Cunningham, scholar, teacher, friend,

Because of the years of unselfish service and devotion which she has given the West Lafayette High School,

Because she has been such a loyal friend and companion of the students,

Because we wish to express our appreciation of her continued interest in the welfare of our high school,

We, the Senior Class of 1934, dedicate this book.

Foreword

The purpose of this Annual is to present a view of the various phases of life in the West Lafayette High School. The publication of this book was a real task that could not have been accomplished without the cooperation of the entire faculty and student body. The Annual Staff wishes to thank those who have helped to make the "Scarlet and Gray" a success, and they hope that the readers will be kind enough to overlook the faults and appreciate whatever virtues it may have.

Mr. Wible Hiner

Dr. G. C. Brandenburg

Dr. F. S. Crockett

F. A. Burtsfield

MR. HINER—Mr. Hiner has been a resident of West Lafayette for a good many years; consequently he has the best interests of the school and community at heart. He is very well known to the students of the whole public school system. His willingness to lend a helping hand makes him a favorite especially with the high school students. Mr. Hiner is cashier at the Purdue State Bank where he has been since its organization. Being an alumnus of West Side, he knows exactly the attitudes and expectations of all of us. He is a very hard worker and a man of whom we can all be proud.

DR. G. C. BRANDENBURG—We of West Lafayette High School little realize how fortunate we are in having as a member of our school board a man who is one of the leading educators in the Middle West. He is head of the Department of Education at Purdue University and Dean of the Summer School. He has served as president and secretary of the school board and at the present time is treasurer. The people of West Lafayette are certainly indebted to him for his wonderful cooperation and advice which he has given the schools of this town.

DR. CROCKETT—Dr. Crockett is one of the leading physicians in this community and has served as a member of the school board for six years. He has shown especial interest in the health program of the schools and has done a great deal to make it a success. The entire school is grateful to Dr. Crockett for the time and services he has given.

MR. BURTSFIELD—Mr. Burtsfield has been superintendent of the West Lafayette Public Schools for the past twenty-one years. He has been a most sympathetic and loyal friend to all the students of this school, and his genial personality has had a profound influence on our high school activities. Whenever our troubles became too perplexing, we always find Mr. Burtsfield a ready listener, and he invariably has an encouraging word of advice.

ODIN

Faculty members of West Side High,
We salute you, every one!
Through loyalty and friendship true
Our homage you have won.

The Value of a High School Education

A high school education yields two classes of returns. One kind is that required in the business world where a high school diploma or its equivalent is necessary for those who expect to enter its doors. Such professions as the law, medicine, dentistry, engineering, public school employment and health training courses set as the first positive requirement for entrance, a high school education with many very definitely prescribed units of work.

In addition to the values or returns known under such headings as the academic, the industrial or commercial are perhaps objective in the sense that they can be measured and applied as standards of attainments, a high school education leads to another group of returns. This group is not so easily subjected to standards of measurement but they exist nevertheless. Take a few of them by way of explanation.

In the first place, there is a continued development of the correct habits started in the elementary school such as promptness, a sense of orderliness, and the doing of a task well and in a completed manner.

Again, the individual learns to concentrate on an assigned task, and by being open-minded and possessing a spirit of inquiry, he is able to see the problem from many sides.

He also learns to cooperate and to get along with people thru the development of a sense of toleration and fair play. These acquirements come about thru the channels of club and athletic activity.

Finally, the modern high school is not a preparation for life but is life itself. The various activities of the school tend to present life situations and experiences. The high school boy or girl is thus permitted to experience while he is learning.

Miss Dorothy Meyer

Mrs. Harriet Mueller

Miss Anna Inskeep

MISS DOROTHY MEYER—German. Although Miss Meyer has been with us less than a year, she has already made herself a loyal and true friend of every student with whom she has come in contact. She has instilled in her pupils a love for German that will always remain with them. Miss Meyer received her Bachelor of Arts Degree from Indiana University in 1933 and was President of the German Club there during her senior year.

Autograph *dorothy A. Meyer*

MRS. HARRIET MUELLER—Public Speaking, English. This was Mrs. Mueller's first year at West Side and she has already won a place in all our hearts. Her work in English, public speaking, and debating has created an interest which has made her a dear friend of all of us. Realizing the need for an organization to back the Debate Team and to foster all of the speech arts, she formed the Speech Arts Club of West Lafayette High School. Mrs. Mueller has Bachelor of Science and Master of Science degrees from Purdue, has studied voice in New York City, and speech at Anna Morgan School in Chicago.

Autograph *Harriet Mueller*

MISS ANNA INSKEEP—Biology. Under the tutelage of Miss Inskeep, the students of West Side have developed a hitherto undiscovered and fascinating interest in biology and nature study. As the general course was not enough to satisfy a great number of students, the Science Club was formed enabling them to have an opportunity to delve further into the mysteries of Nature. Miss Inskeep's interest in forwarding individual projects of the students is remarkable, and she has done much to extend a better understanding of biology throughout the school.

Autograph

MISS VERA SCHAAF—English, History. Miss Schaaf is a friend of everyone, particularly of the organizations with whom she is connected as sponsor. Her good natured smiles and keen sense of humor are confined not only to Room 14, but they serve to cheer the entire student body. Here we wish to thank her whole-heartedly for her splendid cooperation and advice to the annual staff. Miss Schaaf received her Bachelor of Science degree at Purdue and studied at McGill.

Autograph

MISS RUTH SINKS—English, Hygiene, Physical Education. Miss Sinks is one of the most popular teachers in high school. She has won innumerable friends through her work of coaching plays. As a gym teacher for the girls, she has created an interest in this work which is remarkable in that the girls have become interested enough to carry on this work outside of school in the form of roller skating, hiking, tennis, and other sports. She is a fine friend, and a person who can be relied upon.

Autograph

MRS. BELDING—Art. Although this is her first year with us, Mrs. Belding has already made herself well known to the students of the school. She has patiently fostered many of the original craftwork ideas of the students and has encouraged the regular art courses. She has cheerfully cooperated with the clubs of the school and the annual staff in their art work. Her work is best complimented by the number of students who have started art for the first time. Mrs. Belding studied art at the Art Institute in Chicago.

Mr. Harrison P. Berkey

Miss Belle Coulter

Mr. Leslie Tucker

MR. H. P. BERKEY—Director of Physical Education, Head Football Coach, Athletic Director, History, Hygiene. Mr. Berkey came to West Side from Wabash College where he received a Bachelor of Arts degree. "Berk" is one of the sponsors of the Senior Hi-Y, sponsor of the W.L. Club, and a sponsor of the Senior Class and annual. As Athletic Director, he arranges all of our football, basketball, baseball, and minor sports schedules. He also has a keen interest in the intramural activities.
Autograph

MISS COULTER—Latin. Miss Coulter is the sponsor of the Sunshine Society and has always been a real Sunshine Pal to all the girls in school. Although Miss Coulter does not have all the students in her classes through the four years, she is one of the first to greet the freshmen, both boys and girls. She is their friend, and they all feel free to go back to her for help throughout their high school career. Miss Coulter received her A.B. and A.M. degrees from Indiana University.
Autograph Belle Coulter

MR. TUCKER—Shop. This year Mr. Tucker, as well as keeping up the high standard shop work which has characterized his stay here, has found time for some other school activities. He has been one of the important factors behind the Jr. Hi-Y movements and assisted the club in their excellent convocation. He has willingly given time to instructing and managing the tennis team. He followed this by organizing one of the most needed clubs in the school, a boys' glee club, which he directed and hopes to make a going organization.
Autograph

MR. IMMEL—Machine and Architechnical Drawing. Aside from his regular school work, Mr. Immel builds houses and manages a three hundred acre farm. He also writes articles of general interest for farm magazines in Indiana. His genial disposition makes him a favorite with all the students.
Autograph

MISS ADAMS—Miss Adams is a friend, indeed, to every high school student. From the time when the ignorant freshman enters the realm of higher learning to the time when he leaves it as a sophisticated senior, he is incessantly running to the office on one errand or another. Miss Adams patiently helps him find what he wants—whether it be a thumb tack or an algebra grade.
Autograph

MRS. FOLLETT—Orchestra, Glee Club. For thirteen years the West Lafayette Public Schools have been fortunate in having a teacher who has been very influential in giving music the important place it deserves among the school activities. Year in and year out she has made a constant effort to foster musical interest and appreciation among the students. During her many years of service, she has capably directed the Girls' Glee Club and the high school orchestra. Mrs. Follett received her training at the Cincinnati Conservatory of Music.

Mr. J. Paul Wayne

Miss Frances McMahon

Mrs. Ruth Hamlin

MR. J. PAUL WAYNE—Mathematics, Basketball Coach. Coming here from Boswell High School four years ago, Mr. Wayne brought with him a fine record as a coach. His first two years here, he developed championship basketball and baseball teams at Morton School. In 1932, his West Side baseball team finished close to the top of the Mid-Western Indiana Baseball Conference, and last year West Side won undisputed championship. Prospects are again very good for this year. Mr. Wayne coached very good "B" basketball squads up to this year, his first year as head basketball coach, when he turned out a team which won 17 out of 24 scheduled games and won the Sectional Tournament. This team was one of the best in the history of West Side. Popular with players and the students, he has the knack and ability to work with boys and develop winners in life as well as sports.

Autograph

MISS FRANCES McMAHON — Mathematics, Dean of Girls. Miss McMahon not only starts the Freshmen on their way, but she helps them step by step through the entire four years of high school. She is always ready to be of assistance to all the students; she helps them with their schedules and study plans, and is ever a loyal friend. Miss McMahon received her Bachelor of Science degree from Purdue.

Autograph

MRS. RUTH HAMLIN—Home Economics. Mrs. Hamlin came to us after having graduated from Indiana. She first taught Home Economics, but soon increased her course to include Home Management. In the last two years she has been teaching Self Development. Mrs. Hamlin is also the leader of the 4-H work in West Lafayette.

Autograph

MISS MABEL ROTHROCK—English, History. Miss Rothrock is one of our most popular teachers. She is very much interested in the West Sidean, as she is the English critic and faculty advisor. Her continued interest in our school newspaper is greatly appreciated, and we look forward to many more happy years with her. Miss Rothrock received her Bachelor of Arts at Indiana.

Autograph *Miss Rothrock*

MR. TROY SMITH—Physics, Chemistry. Mr. Smith has been at West Side for a good many years, and he has always taken a great interest in the school activities. He is always seen at all the school functions and we all consider him our friend. Mr. Smith received his Bachelor of Arts degree from Indiana and his Master of Arts degree from Columbia.

VALHALLA

The Senior Class we now present,
Our high school days are almost spent;
In a few more days—a few more hours
The coveted diploma will be ours.
Friendship's fires will still be burning,
As we leave this hall of learning,
And though to teachers and classmates, too,
We must now forever say adieu,
Yet in spite of this—our last farewell,
In memories they will always dwell.

URD

The class of 1934 has had four especially happy and profitable years at the West Lafayette High School. During our first year we listened much, said little, and thereby learned a great deal; as a result we started our sophomore year with a confidence that was surprising. Ed Smith was elected president and, with him as our leader, we staged a very fine class party in mid-winter.

In the fall of 1932 we again elected officers, and William Douglas was chosen our president. Plans were immediately made for the class play and "In the Light of the Moon" proved to be a big success. A party was held in the middle of the year and was an outstanding event in the history of the class. However, the Junior-Senior Reception in May capped the climax. Following a delicious chicken dinner at Morton School, dancing was enjoyed in the auditorium. The jungle theme was very effectively used throughout the evening.

Of course the senior year has eclipsed all previous years. For our senior play, Booth Tarkington's "Seventeen" was chosen, and much credit is due to Miss Sinks and Mrs. Mueller for the coaching of a splendid production. A fine annual staff was elected and, with Robert Wiley as the editor-in-chief, and Miss Schaaf and Mr. Berkey as advisors, a most successful year book has been published. To the advisors and to the staff the class feels indebted for a fine piece of work.

We are now looking forward to a Gala Week which we know will leave us many happy memories of parties and picnics and pleasures unlimited. We are saying farewell to many dear friends, both teachers and schoolmates, but we hope to come back for frequent visits during the coming years. The officers for the Senior Class were: Robert Heine, President; Ruth Owen, Vice-President; Eugene Swank, Treasurer, and Howard Knaus, Secretary.

SKULD

"Of course you know mother's name was Edna Faye Moore," said mother a trifle wearily, as young John David Wolf, Jr., came bringing a battered old copy of the 1934 "Scarlet and Gray" up to her. "Yes, that's your father's picture—no, father didn't preach in the pulpit, then. And where are they all now? Well, let me think. The last I heard of Bob Wiley—he was the editor, you know—he was out on a dairy farm in Kansas with Dick Still. And Lucien Jones? Oh, he owns most of the South American peanut farms. Yes, Ronald Harte and Jo Friend are down there too, helping Bruce Ewing and Ruth Owen investigate the terrible measles epidemic among the mosquitoes. And I heard that Arthur Peterson and Jean Leckie are flying down this week-end to spend the winter with them. Oh, where's Virginia Sidwell? Why, she's Senator from Indiana, who's just persuaded Congress to appropriate ten million dollars to build a National Home for Friendless Cats, and they say that she's appointed Irene Jackson, Mary Grace Mytinger and Norma Baker to manage the institution. The chief dieticians will be Frances Glaze and Catherine Robertson and the head doctor will be Dr. Heine, assisted by Helen Howard.

"Ruth Brandenburg? No one ever seemed to hear what did become of her.

"And who were the ones that got so rich? Oh, that's when they discovered the diamond mines in Iowa. Richard Ainslie, Bill Billings, Jim McClintock, Allen Christy, and Lindley Schofield were among the first ones to get there and they made millions! They gave the money for the new high school buildings which Howard Knaus designed for West Lafayette. Ronald Creek is principal there now and Iva Swaynie is Dean of Girls.

"Which one was the general in the war with Japan? Oh, that was Eugene Swank. That nice-looking boy? Why, that's Kenneth Barnette of the Bosco-Barnette Detective Agency. Their finger-print experts are Mary Shriner and Oscar Warnock.

"Oh, you like the policemen? Well, here's the boy who's chief of police in Chicago—Claude Harper. He helped Ed Smith and Vernon Wakeland put on that big "Swat-a-Fly" campaign in Chicago. Oh, yes, you hear Georgia Lugenbill, Dorothy Wierenga, and Juanita Kellar singing the songs over WLW about "Sander's Sudsy Soap Scraps" every night. Marjorie Blalock is the announcer. And you know in the movies the other day we saw a picture of Henry Kraybill's Butterfly Dancing School, where Virginia McFarland, Jean Brown, and Evelyn Britt were the star dancers.

"And of course Margaret Ann Little and Ernestine Brown are the most famous movie stars since the days of Mae West.

"By the way, Peg Fantone and Bill Kimmell have succeeded Gracie Allen and George Burns. And Chuck Coe inherited Paul Whiteman's orchestra and his waistline too, they say! Stan Emrick, who was expected to be Purdue's band leader, spends his time dodging grapefruit as he croons for Fleischman's Yeast.

"And speaking of yeast, reminds me of the dated biscuits Maxine Fisher and Dorothy Bryant make. Carl Brown and Bill Douglas deliver them by plane all over the country. And now instead of Oscar it's Ed Kellogg who's chief cook at the Waldorf-Astoria. Did mother forget the circus? Why, to be sure, Ward Greiner and Lewis Pence are the two famous lion-trainers of the Fleming-Fryback circus, with Helen Jackman, famous trapeze artist. They say that the Curts-Epple airplanes will take most of the circus to South Africa this winter. You know Paul Wolfe manufactures his famous non-run silk hosiery for smart women in Capetown.

"Well, I hear father coming from his study. He must have his sermon finished."

VERDANDI

WE, the class of nineteen-hundred and thirty-four, being sane in mind and sound in body, hereby testify that this document, our last will and testament, contains the true list of our wealth. As remembrances of our worthy selves we make the following bequests:

We will to the Freshmen our biology note-books and insect collections.

We leave to the Sophomores our sophisticated manner.

We leave to the Juniors nothing except a lot of good luck, since we kept no physics or chemistry note-books and that is the only thing they would need.

We will to the Faculty, handkerchiefs to cry in when we are gone. We know they will miss (?) us.

I, Dick Ainslie, will my winsome ways to another woman-hater.

I, Norma Baker, will my hair to Nancy Mahin.

I, Kenneth Barnette, will my right to argue with the teachers to anyone who wants to fight a losing battle.

I, William Billings, will my Love Story Magazine to Ross Dean, to read in the locker room.

I, Marjorie Blalock, will my excessive E+'s to Rosemary Budge.

I, Jennie Bosco, will my loud talk to any freshman who can get by with it.

I, Ruth Brandenburg, will my demureness to Jean Anne Coyner.

I, Evelyn Britt, will my shyness to Margaret Jones.

I, Carl Brown, will a lot of old school books to the Janitor.

I, Ernestine Brown, will my braided coiffeur to Betty Hiner.

I, Jean Brown, will my blonde hair to Winifred Gregory.

I, Dorothy Bryant, will my right to giggle in Chemistry class to Edna Schwab.

I, Allen Christy, will my red hair to Miss Meyer.

I, Charles Coe, will my sax appeal to Bob Kluth.

I, Ronald Creek, will my ability to get into the library at any and all times to Dick Shively.

I, Melvin Curts, will my quietness to Fowlis Munro.

I, William Douglas, put twenty-three girls back into circulation.

I, Stanley Emrick, will my winning ways with the lady teachers to Bob Skinner.

I, Robert Epple, will my flexible "snoz" to any deserving athlete.

I, Bruce Ewing, will my way with the co-eds to Phil Lugenbill.

I, Margaret Fantone, will my quiet (?) and cunning (?) ways to Mary Cooley.

I, Maxine Fisher, will my boisterous (?) ways to Frances McKee.

I, Wallace Fleming, my ability to carry the pigskin to one of our budding athletes.

I, Josephine Friend, will Ella Lou Sexson my eyes, for love is blind and I dont' need them!

I, Kenneth Fryback, will my athletic ability to Bob Brady.

I, Frances Glaze, will my right to go with college students to any freshman girl that wants it.

I, Ward Greiner, will my studious ways to John Walkey.

I, Claude Harper, will my handsome looks to brother Bob.

I, Ronald Harte, will my ability to attract the ladies to Junior Wolf.

I, Robert Heine, will my lovestarved soul to Johnnie Baker.

I, Helen Howard, will my right to dust Mr. Berkey's desk to any 11A history student.

I, Irene Jackson, will my love for "Buds" to Bernice Beisel.

I, Lucien Jones, will my pipe-line with Mr. Dean to any underclassman who's smart enough to get one.

VERDANDI

I, Richard Kell, since I have been here so long and done so much for the school, have decided not to leave anything.

I, Juanita Kellar, will my Kate Smith voice to Mary Johnston.

I, Edward Kellogg, leave with a great deal of relief.

I, William Kimmell, will my pugilistic aspirations to anyone who can "take it."

I, Howard Knaus, will my love for blondes to Joe Doan.

I, Henry Kraybill, leave my knowledge for a new library.

I, Jean Leckie, will my loud and boisterous (?) ways to Letha Knable.

I, Margaret Ann Little, will a 12 volume set of books on "How to Win a Man," to the school library.

I, Georgia Lugenbill, will my eyes to Barbara Gibbs.

I, James McClintock, will my school girl complexion to any girl who can't find a satisfactory one in a drug store.

I, Virginia McFarland, will my tall stateliness and sophisticated manner to Ruth Hymen or Ida Mae Smethers.

I, Edna Faye Moore, will my giggle to any junior girl providing she uses it as effectively as I have.

I, Mary Grace Mytinger, will my artistic abilities to Thelma Shipley.

I, Ruth Owen, will my scandal managing to my successor.

I, Robert Parks, will my dramatic ability to Bob Cooley.

I, Lewis Pence, will my dancing ability to Warren Johns.

I, Arthur Peterson, will my right to throw snowballs at the senior girls to Junior Guthrie.

I, Catherine Robertson, will my "boy-shyness" to Helen Fleming (who needs it).

I, Burton Sanders, wil lmy right to go with Jeff girls to "Germ" Roth.

I, Lindley Schofield, will my "shyness" (?) to Bob Kelley.

I, Mary Shriner, will my "rep" for giving parties to Edna Schwab.

I, Virginia Sidwell, will my right to talk "baby" talk to Bob Heine, to Betty Hiner.

I, Edward Smith, will my training to anyone who can keep the boys fit.

I, Richard Still, will my feet to Wendell Britt.

I, Eugene Swank, leave the treasury full of money (?).

I, Iva Swaynie, will my public speaking ability to some future student.

I, Jack Titus, will my right to be a "woman-hater" to Don Bryan.

I, Vernon Wakeland, will my right to sleep in Mr. Dean's classes to anyone who feels the need of it.

I, Oscar Warnock, will my way with the women to Junior Overton.

I, Dorothy Wierenga, will my math intelligence to the school to be used in future references by Mr. Wayne's pupils.

I, Robert Wiley, will my pipe-line with Miss Schaaf to the next annual editor.

I, John D. Wolf, will my sense of humor to Bob Gullion.

I, John Paul Wolfe, will my chemistry ability to another sufferer.

In order that this document shall be properly carried out, we hereby name Miss Vera Schaaf as the executrix. For such services rendered, she shall receive all interest accumulating from the sudden appearance of stray canines in the aisles and wandering felines in desk drawers.

In the presence of witnesses we hereby set our hand and seal,

Senior Class of 1934.

MIDGARD

Nearing the end of high school days,
Secure in their knowledge of worldly ways,
True sophisticates, through and through,
For our High School Ship they'll make a good crew.

"The Viking '35," flying the colors of the Blue and Gray and piloted by Captain Dean and his valiant crew, has now completed three-quarters of its cruise across the Sea of Higher Learning.

The ship has successfully weathered the gales of foreign languages, the hurricanes of mathematics, the treacherous typhoons of physics with the aid of an experienced Helmsman, Mr. Wayne and a competent Steersman, Miss Sinks, and the cooperative crew.

A Sweater Hop was the means of celebration on board "The Viking" when the entire crew became the proud wearers of the blue insignia mounted on the gray sweaters.

The progress on the high seas was halted when the captain and the crew became theater-minded and scored a triumph with a clever comedy "Sonny-Jane."

Anticipation now mounts high as preparations are being made for the unsurpassed social event of the season upon the meeting of the sister ship, "The Viking '34," manned by the senior crew on its way into Port of Graduation. This elaborate reception marks the sendoff of "The Viking '34," toward its goal.

The Juniors' goal will be realized when their ship comes into port in '35.

"Bon Voyage, '34!"

"Sail On, '35!"

MARY COOLEY.
VIRGINIA HUFFMAN.

Provokingly cocky, conceited, and bold,
The Sophomores feel very wise and old;
Yet two more years of high school sports,
Before they leave for foreign ports.

The ancient history of our class differs little from that of any other Sophomore Class. When we were eighth graders down in "Dear Ole' Morton" we had a rather good opinion of ourselves, but when we entered high school as wide-eyed, incredulous freshmen, we soon had that taken out of us. Now that we have risen to our present rank our self-esteem is also slowly rising and by the time we are seniors we hope to assume the bored indifference and conceit that seems to be the rightful inheritance of the Senior Class. We have already contributed our share of members to the sports, both major and minor. Our social activities have been confined to the class parties, sponsored only by Miss McMahon since the departure of Mr. Beckman. We do not profess to be Oriental seers so we leave our future in the hands of the gods to be revealed at their will.

MARIANA WILSON.
SUE ENDERS.

Thirsty for knowledge—gentle and meek,
Here are the Freshmen—much wisdom they seek,
At the Seniors they gaze with envious eyes,
And hope that someday they too may be wise.

The Freshmen add their little legend to the group of Norse tales that compose this book. The "fresh greenies," the name the present 9B's have given themselves, have learned some quite new and astonishing facts about high school life in the short time they have been here. The Freshmen, though considered very small and insignificant form a little over one-fourth of the student body, so it would not be a real school without them.

Some of them were really very astonished at the magnitude of the assembly room, and they all ran around like chickens with their heads cut off, the first week. Now, however, they are all quite familiar with the building and its occupants, even though some did have their fifty cents all ready to bring for their "convocation tickets," at the first of the year. The "Freshies" have been teased quite unmercifully, but the upperclassmen must remember that today's freshmen make tomorrow's seniors, and those sophisticated seniors were once "Freshies" themselves.

The school would be at quite a loss,
Without the "Freshies" to tease and boss!

ACTIVITIES

It takes a little studying,
It takes a little play,
It takes a lot of buddying
To make a high school day.

The Value of Extra Curricular Activities of West Lafayette High School

American schools today are attempting to provide a training that will fit boys and girls to perform more efficiently the duties, and to solve more wisely the problems encountered under a democratic form of government. Citizenship training is not a new task. We have evidence that from the early formative years under our national constitution, our American forefathers realized the need of citizenship training for the youth of the land. Their ideas involved the reading of facts. But today education is no longer conceived of as a process of memorizing facts; it is a process of giving pupils experiences that shall be of value or use in later life. The central theory is that each individual engages in activities of many varieties. It is in recognition of these broader objectives that the modern school is attempting to provide pupils an opportunity to engage in many activities that have come to be called extra-class or extra-curricular activities. Thus, the modern school is apparently incomplete if it does not provide in its program opportunities for pupils to engage in activities as described in this yearbook. Our school has endeavored to explore the interests and hobbies of pupils by a varied program of activities. Space will not permit giving the details of each of these activities, but an outline of several representative activities would be as follows:

Activity — Hi-Y Club, membership open to boys above the 9B grade who will subscribe to the creed. They are voted in by the club. Objective—"To create, maintain, and extend throughout the school and community, high standards of Christian character. Time of meeting—Every Monday night. Projects—Lectures on appropriate subjects; officers attend conferences; Father and Son meetings; school plays; vocational guidance programs; Mother's Day program; welfare work; annual sportsmanship and scholarship award; Sponsors, Mr. Dean and Mr. Berkey.

Activity—Sunshine Society, membership open to all girls of high school. Objectives—Helpfulness and usefulness in the home, school, and community; to develop a high standard of womanhood. Time of meeting: The third Thursday of each month. Projects—Play, carnival; conventions; mothers' tea; honor Senior girls; yearly gift to school; contribution to Riley Fund; equip and maintain rest room in school; welfare work; Football Banquet. Sponsor, Miss Coulter.

The following pages should serve to give the reader a clear idea of the activities of W. L. H. S.

SAGA

Scarlet and Gray—Students and friends of West Lafayette High School, the 1934 Annual extends to you hearty thanks for the splendid support you have given the Viking Edition. Of course we must realize that any publication of any sort is impossible without the cooperation of a large group of persons working together toward a common goal. We have tried our best to satisfy your wants although we have been operating on a limited budget. Several times we have been discouraged almost to the point where we thought it would be doubtful as to whether West Side would have a 1934 Annual; however, we have finally managed to bring before you a book which is what we consider a fair example of our hard work. We wish to take this opportunity to thank the sponsors and faculty for the wonderful cooperation and support they have given us to try to make this Annual a success. Also we wish to extend to the Speech Arts Club our hearty thanks for the gift which made it possible to secure better covers than would otherwise have been possible. Trusting that the 1935 year book will be as much of a success as the Viking Edition, we wish them the best of luck and hope for a bigger and better Annual.

VIKING EDITION

SAGA

The West Sidean, the West Lafayette High School paper, was first published during the school year of 1930-31. During the first year the paper, under the editorship of Fredrick Heiss, gained for itself among the school's activities, a most prominent position, which it has continued to hold since that time. The succeeding editors-in-chief were Edith Gregory and Frank Justin. This year Kenneth Barnette was editor-in-chief with Henry Kraybill as associate editor and Robert Heine as managing editor. Due to the increased cost of production this year, the advertising was solicited more earnestly with most gratifying results. This job was capably handled by Thelma Shipley and her assistants, Virginia Sidwell and Robert Wiley. The business managers were Eugene Swank and Catherine Cromer.

The West Sidean offered ten issues this year which made the paper come out on the average of every three weeks. Several stereotypes in printing which added much to the appearance and variety of the paper were used.

Miss Mabel Rothrock capably filled the capacity of English critic while Mr. J. Paul Wayne acted as faculty advisor.

The staff wishes to extend its most hearty thanks to the merchants of West Lafayette and Lafayette for their cooperation in this school project.

The paper this year as in the preceding year was printed by the Lafayette Printing Company.

Here's wishing next year's editor the greatest amount of success that is possible.

SUNSHINE SOCIETY—The Sunshine Society was founded at Crawfordsville as a Sunday School Class in 1900. It is now a state-wide organization. The West Lafayette Society was organized in 1919. Its purpose is "to develop a high standard of womanhood, to train for citizenship, and to advance the cause of Sunshine work." The creed best shows the object of our work: "With love in my heart, forgetting self, and with charity for all, I will make the object of my life, helpfulness and kindness to others. I shall try to fit myself to give intelligent service in making my community a safer and more beautiful place to live in. Thus will my life become rich and complete."

Every girl in the school belongs to the society and pays only state dues. General meetings are held on the third Thursday of each month. Outside speakers, special music, plays, style shows, and readings are only a part of our program material.

The initiation service for the new girls is held during the first part of each semester. A general "get-acquainted" party, during which dancing and refreshments are enjoyed, follows the formal ceremony. Our society has been immensely strengthened by the forty-two girls initiated this year.

In October the members of our society had a wiener roast in Happy Hollow. Eats and singing around the fire as well as a treasure hunt in the woods were enjoyed by the large, merry crowd of girls present.

At the close of the football season, our club sponsored an all-school banquet in honor of the football team. The entire program was carried off in the style of a football game. A capacity crowd was served at dinner and the entire banquet was a huge success. A Christmas party was held at Morton School to which each girl brought a small present for some unfortunate child's Christmas tree, and the visit of Santa Claus with gifts of candy made it a jolly party.

Our big money-raising feature this year was a minstrel show followed by a Penny Carnival in the gymnasium. The auditorium was filled to capacity, and the entire evening was very successful. In April, the Sunshine Girls entertained their mothers at a spring tea. A special program, dancing, and refreshments comprised the entertainment at this occasion.

The last party of the year is a send-off for the Senior girls. We always try to make this an event they will remember. The work of our society is carried on mainly by the committees into which the entire club is divided. Every member helps in some way. A great deal of welfare work is done by the society. Baskets of food are sent out during the winter to unfortunate families and toys are distributed to needy children at Christmas time. A Sunshine Room, into which any girl may go to study or rest during the day, is maintained by the organization. It is equipped with two couches and other necessary furniture, and it has recently been outfitted with a very convenient medicine cabinet. Each year our society makes a gift to the school. This year we purchased dishes for the Home Economics Department.

Miss Coulter, the sponsor, as well as the other faculty advisors of the society, deserve much credit for the wonderful assistance they have given the girls.

The officers for this year were as follows:

President ..... Ruth Brandenburg
Vice-President ..... Frances McKee
Secretary ..... Mary Cooley
Treasurer ..... Edna Faye Moore
Corresponding Sec.... Elizabeth Ainsworth

MARY COOLEY.

THE SENIOR HI-Y

The Senior Hi-Y Club was started in our school in the year 1926, and is made up of the boys from the Junior and Senior classes only. It is an extension of the principles of the Y. M. C. A. into the high school and is associated with similar clubs in other schools.

The purpose of the club is "To create, maintain, and extend throughout the school and community a high standard of Christian character."

A few improvements have been made in the organization of the club this year and as a result it has operated more smoothly, and has carried on its usual functions of conducting educational and religious programs, carrying on welfare work and taking an active interest in school affairs in general. The club also works to foster a feeling of good fellowship among the boys of the school. The membership has increased from over thirty at the beginning of the year to nearly sixty boys, the largest enrollment in the history of the club. The sponsors are Mr. Dean and Mr. Berkey. The officers for this year are:

President ..... Howard Knaus
Vice-President ..... Kenneth Barnette
Secretary ..... Henry Kraybill
Treasurer ..... John Wolf

HENRY KRAYBILL.

THE JUNIOR HI-Y

The Junior Hi-Y of West Lafayette High School is a comparatively new organization. It was started during the spring term of 1933. The membership of this club is composed entirely of boys of the 9A, 10B, and 10A grades.

Before the club was organized, there was no club sponsored by the school that included the boys of the lower classes, for the Senior Hi-Y is not authorized to accept boys from the freshman and sophmore classes. As there were Junior Hi-Y clubs throughout the state, and as there was a deficiency in our school, a club was started.

The Junior Hi-Y is affiliated with the Y. M. C. A. as is the Senior Club, and also has the same purpose: "To create, maintain and extend throughout the school and community a high standard of Christian character." It is responsible to the same authorities and has a pin somewhat the same design.

This club, when started, had a membership of a few less than twenty, and, by the end of the last term, the membership had increased to over thirty. The sponsor of the club is Mr. Tucker. The officers of the club are:

President ..... Jack Smalley
Vice-President ..... Walter Mytinger
Secretary ..... Jim Hoffman
Treasurer ..... Donald Fitting
Sgt.-at-Arms ..... John Walkey

JIM HOFFMAN.

THE TRI-Y CLUB

The Tri-Y Girl Reserve Club has about ninety girls enrolled this year. It is a junior branch of the Y. W. C. A. The club has started something new this year in the form of four interesting groups. Each girl is enrolled in the group in which she is most interested. The four groups and their leaders are: Drama, Miss Sinks; Books, Miss Schaaf; Music, Mrs. A. P. Stewart, and Personality, Miss Nosset. The purpose of the club is "To find and give the best."

The organization has done a great deal of welfare work this year. It also combined with the Hi-Y club in giving three one-act plays for the purpose of raising money. Each member pays twenty-five cents dues each semester.

The officers for this year are:

President ..... Josephine Friend
Vice-President ..... Nota Misner
Secretary ..... Patricia Heine
Treasurer ..... Edna Schwab

PATRICIA HEINE.

THE ORCHESTRA—We have functioning in the West Lafayette High School an orchestra of very high calibre. There is very limited time for orchestra practice, since there are so many extra curricular activities and each activity has just an allotted time. The time for the orchestra comes every Monday and Wednesday during the fifth period, and at this time thirty-five would-be musicians practice in the auditorium. With the opening of the second semester the membership was increased.

Zue Vera Follet has a beginning and an advanced orchestra in Morton School so that when the pupils enter high school they are ready for the more advanced type of music.

The high school orchestra was first organized, by its present director, Zue Vera Follet, eleven years ago. The orchestra consisted of ten pieces at that time. It has grown until now the membership numbers thirty-five. The instrumentation includes: eleven violins, one viola, two cellos, six trumpets, five clarinets, a flute, a trombone, four saxophones, a string base, baritone horn, a set of drums and a piano.

The orchestra furnishes "in between acts" music at most of the school entertainments and gives a convocation program each semester. Last year, at the close of school, the orchestra furnished music at some comencements in rural communities in the surrounding localities.

At Christmas time, a part of the orchestra assisted the Morton School with the annual Christmas carol program. They also helped with the presentation of the eighth grade operetta, "The Toymakers." The orchestra, by giving a benefit concert, also helped to finance the debate activities in the high school during the last year.

We feel that our orchestra is a very vital part of the West Lafayette High School.

Ross Dean.

GLEE CLUB—West Side is very fortunate in having a Glee Club of over sixty girls. Only in rare cases does one find such an interest in a school the size of ours. Most of the credit for fostering such an interest goes to Mrs. Follett, the director, who has given much extra time to the training of special choruses to sing at graduation time. Practice is held every Tuesday and Thursday the fifth period. At Christmas time the Glee Club usually sings carols and other Christmas music. The big event of the school year, however, is always graduation, and the Glee Club furnishes wonderful music for this occasion. In addition to the regular chorus, there is a special chorus which renders other music at this time. Membership in the Glee Club is open to any girl in high school who wishes to join. When the Glee Club was first organized it was not considered an important branch of the school activities, but West Lafayette, being a musically inclined community, has been interested in any movement of this kind; consequently the Glee Club has become one of the high school's most important branches of study and activity. The Glee Club sings only the best type of music and gives a convocation program once a year.

VALKYRIES

THE W. L. CLUB—Since the creation of the W. L. Club in 1928, the purpose of the organization has remained foremost in the minds of its members: "It shall do its utmost to cultivate a high morale among the athletes and endeavor to maintain clean speech and habits and a high standard of Christian character among the various athletic teams of the West Lafayette High School."

Only those winning honor sweaters in football and basketball are included in the personnel of the W. L. Club. The meetings are held every two weeks and variety in the programs was offered this year by having as guest speakers various men from the Athletic Department of Purdue University. Discussions of the various fields of athletics, including sportsmanship, and attitudes of players, spectators, and officials also added much interest to the meetings.

As usual the annual W. L. Club initiation proved to be quite an affair, especially for the initiates. Another annual festival is the W. L. Club party which is held in the spring of every year. Mr. Berkey is the capable sponsor of the organization which has a total of twenty-four members this year. This includes thirteen seniors, five juniors, two sophomores, and no freshmen. The following officers were elected this year:

President ..... Stanley Emrick
Vice-President ..... William Douglas
Secretary-Treasurer ..... Ronald Harte

STANLEY EMRICK.

SCARLETTES — At practically all school athletic contests there is a group of girls, known as the Scarlettes. They back the team whether they win or lose, for their purpose is to support the team and encourage proper school spirit.

The club is limited to the junior and senior girls who show an interest in high school athletics and fulfill other Scarlette requirements. Every pledge, before becoming a member, must have lived in West Lafayette one year and must have an average of G in her subjects for the previous semester.

This semester the Scarlettes began with fourteen members; also, four sponsors and honorary members: Miss Schaaf, Miss McMahon, Miss Sinks, and Mrs. Hamlin. After the initiation, at the beginning of the basketball season, the club was increased to thirty-six members.

The club sold student and adult tickets this year in the place of season tickets for both football and basketball games.

They have had several bean and chili feeds before various games and then attended the contest in a body. This has been done in previous years also.

The club feels that the school spirit has increased this year because the Scarlettes have sold more tickets. More people are attending the games and if they look around they can always see many Scarlettes present. There are also members representing the club at out-of-town games, sometimes even traveling by way of school busses.

The officers for this year are:

President ..... Ernestine Brown
Vice-President ..... Mary Shriner
Secretary-Treasurer ..... Dorothy Bryant

DOROTHY BRYANT.

SCIENCE CLUB—The Science Club is well on its third year with a membership of thirty-five students. The club is for the purpose of furthering the interest of nature study in our high school for those who like to hike together, meet together and discuss their projects.

At the close of last year we sent in our membership to the Junior Academy of Science. Last fall we received our charter and we sent four delegates to the annual meeting at Bloomington. We hope the membership in this association will tend to make our own more interesting and profitable.

This year we are following the usual activities and monthly meetings. We took hikes and trips and each member chose a project on which to work. Last fall we had an interesting trip in the region of Kickapoo Falls and we gathered for supper at Black Rock on return. Our trips have been chiefly to the industrial plants of this community. This year six members submitted their projects by midyear. An outstanding addition this year is the honor point system. A separate account is kept for each member of the meetings attended, activities, trips, and individual work done. At the end of the year a list of distinguished members is announced. Officers for this year were:

President ..... Maurice Campbell
Vice-President ..... Lewis Pence
Sec.-Treasurer ..... Mary Frances Oliver
Recording Sec. ..... Patricia Heine

MARY FRANCES OLIVER.

Der Deutsche Verein (German Club)—Der Deutsche Verein was first conceived by Mr. Bruno Beckman, the German teacher, but he had resigned from the faculty before it was organized. His plans, however, were carried out.

The Preamble to the Constitution reads: "In order to promote interest in Germany and the German language so as to speak and understand it better, we establish this club." And in Article II is found: "Membership in this society shall be open to any person who has had two semesters of German in a high school." The activities of the German Club included a party, a picnic, and, at the meetings which were held once a month in the evening, motion pictures and talks given by German authorities of the city.

The first officers of Der Deutsche Verein included: President, Henry Kraybill; Vice-President, Ruth Brandenburg; Secretary, Virginia Sidwell; Treasurer, Ruth Wiley; Sergeant-at-Arms, Kenneth Barnette, and Sponsor, Dorothy Meyer, Mr. Beckman's successor.

Debate and Speech Arts Club—Debating is a new field of activity for West Lafayette High School. It was started by Mrs. Mueller, the public speaking teacher. Preliminary debates were held in the public speaking classes, and from these were chosen the debate squad, which consisted of eighteen people. They began work immediately on the national question for debate which reads—"Resolved: That the United States should adopt the essential features of the British system of radio control and operation." After having three inter-school debates, the final teams were selected. The affirmative team consisted of Robert Parks, Edna Faye Moore, James McClintock, Virginia McFarland, and Allan Christy. The negative team consisted of Kenneth Barnette, Iva Swaynie, Virginia Sidwell, Robert Heine, and Margaret Fantone.

Practice debates were held at Anderson with Bippus, Greencastle, Elwood and Frankfort. Debates with Delphi and Jefferson were also held preliminary to the tournament.

The District Debate Tournament was held on February 10th and 17th at Purdue and Jefferson. West Lafayette came out second in the district, winning three out of four debates. Ladoga took first place with no defeats.

The Speech Arts Club of the West Lafayette High School was organized this year under the direction of Mrs. Mueller. Its purpose is "To promote skill in all of the speech arts, and to develop a more general interest in these accomplishments throughout the student body of the school." Its membership includes the students of the public speaking classes and anyone else in the high school who has an average of eighty per cent or above in English. The organization holds regular meetings once a month and has been quite active in financing the debate team. The officers are:

President ..... William Douglas
Vice-President ..... Charles Coe
Secretary ..... Henry Kraybill
Treasurer ..... Bruce Ewing
Sgt.-at-Arms ..... William Billings

Latin Club—The purpose of the Latin Club is to further the interest in the subject Latin, and to make the students better acquainted with Roman life and customs. The club is open to all students who have completed one year of Latin. Due to the lack of time, meetings are held in the Latin classes rather than having an all club meeting. Programs include talks on Roman costumes, customs, and writers. This year, for the first time, the students turned Roman for one evening, and attended a Roman banquet. Some even came in togas. The meal, although it was quite up to date, was the type that might have been served in a Roman home two thousand years ago. The officers for this year are as follows:

Consul ..... Dorothy Bryant
Praetor ..... Catherine Cooley
Quaestor ..... Dorothy Holden
Sponsor ..... Miss Coulter

ATHLETICS

THOR

For these strong gods there is much to say
As boldly they battle for the Scarlet and Gray.
Much honor and glory they win every year
Here's to the boys—a great big cheer!

THE ATHLETIC ASSOCIATION

The Athletic Association was organized in 1929 so that the students would have a part in determining the policies of the athletic department, and in managing athletic affairs in the school. Under the old system the students had no way of assisting in the management of athletic affairs. However, our new system offers the opportunity for the students to participate in the business and other affairs of the department. It also tends to prepare those who take part in it for what is to come later in their careers by giving them the responsibility and the experience involved in the fulfillment of these offices. This year the election of officers was held early in the fall. Every student in the school took part in the electing of the officers. William Douglas was elected president; Stanley Emrick was elected vice-president; Joe MacMartin was elected secretary, and Lynn Robertson was elected treasurer. This group together with the faculty representatives, namely Mr. Dean, Mr. Berkey, Miss Sinks, Miss MacMahon, Mr. Smith, and Mr. Tucker, meet at the call of Mr. Dean at the necessary intervals to determine the various policies of the athletic department and to look after the paying of the bills of the organization. This year our athletic department was equipped as well or better than that of any other school in this section of the state.

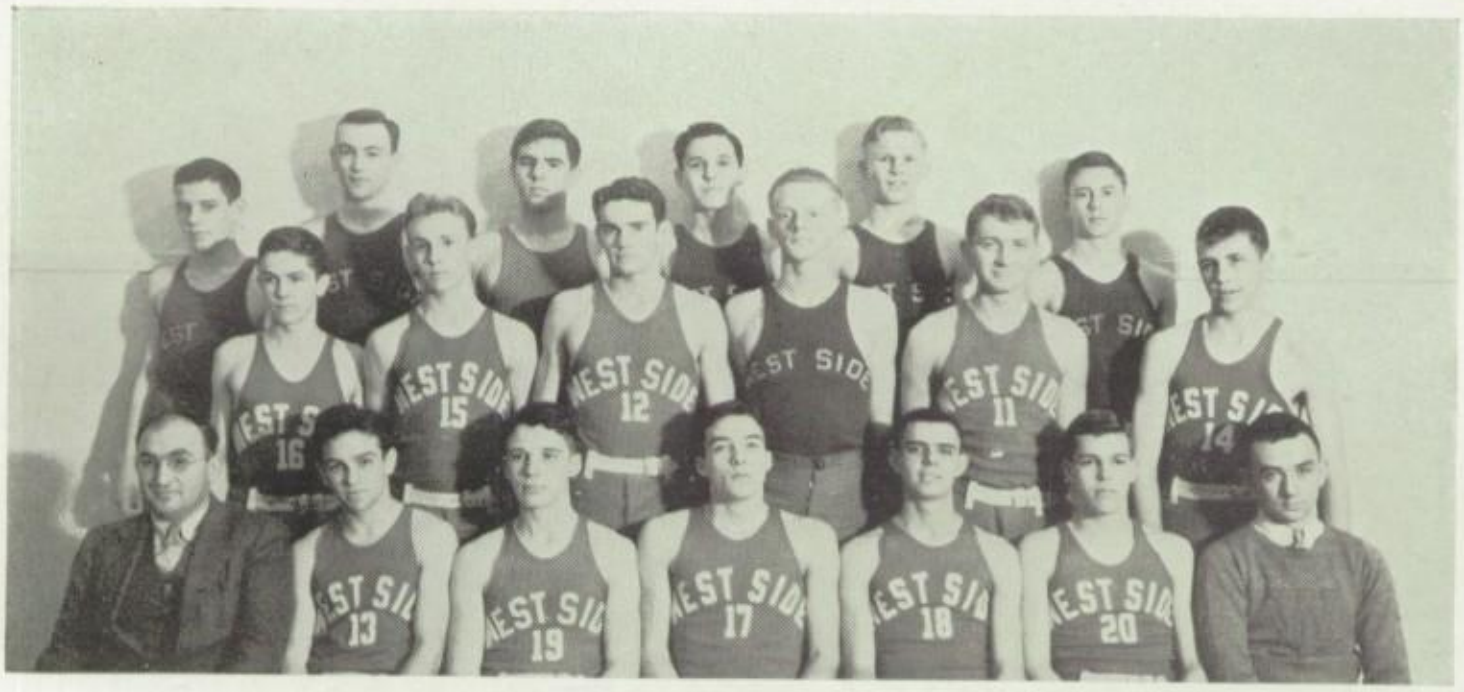
FOOTBALL—Sixty hopeful football youths read, "First call for football practice. Report at the High School Monday at 2:15," in the Journal and Courier one Saturday evening about ten days before school opened last fall. All of these football aspirants reported that next afternoon to listen to the instructions given by Coach H. P. Berkey and his assistant, J. P. Wayne. After the suits were issued and two days of light practice over, the youths went to Camp Tecumseh for a few days. There were eleven lettermen: Captain Harte, Emrick, Sanders, Craig, Swank, Greiner, Epple, Fryback, Ainslie, Douglas, and Warnock, who, with several of last year's reserves, made up the team. These boys practiced hard for the Jeff game to come within two weeks. And one Friday night the West Side team, lacking finish, appeared on the North Stuart to open their schedule. The game got off on a bad start when Jeff scored on the kickoff; however, the West Side boys did not become upset. Instead they settled down to holding Jeff to a 14 to 0 score. Although dissatisfied over the first defeat, the Scarlet's worked harder than they ever did before, and when Friday night came they played Crawfordsville to a 0 to 0 tie. Still not satisfied with the showing of the Red Devils, Coaches Berkey and Wayne shifted the lineup considerably. The result gave W. L. H. S. a 12 to 0 victory over Morocco. Things began to liven up, and West Side added the scalps of Kentland and Thorntown to their victory belt. With two days of preparation the Berkeymen went to Frankfort to encounter the Hot Dogs. The Red Devils played the best game of the year that Wednesday night, and tied the Blue and White team 13-13. Berkey gave his team a little rest and then hard and long drills for the final tangle with Jeff were given. On Friday night Jeff whipped the Berkeymen 21-0. The senior boys, all of whom will be greatly missed, are: Captain Harte, Fryback, Epple, Ainslie, Greiner, Swank, Sanders, Douglas, Emrick, Warnock, Fleming, and Billings. However, the Red Devils will have Craig, Robertson, Jacklin, Dean, Brady, Martin, and several reserves back; and West Side should have a winning team in thirty-four. Coaches Berkey and Wayne were handicapped a great deal by injuries to Eugene Swank, quarterback, and Bob Epple, halfback. Swank injured his knee in practice before any games were played, and injured his shoulder in the first Jeff game. Thus they were out all season. The loss of these two veterans was keenly felt. Dick Ainslie and Burton Sanders were also hurt, but missed only a couple of games. And, last but not least, the team was kept in very good physical condition, thanks to Doc. Martin. Taking all in all into consideration the Red Devils had a very good season.



First: Coach Wayne, Capt. Epple, Dean, Brady, Himes, Harper, Trainer Smith.
Second: Edgerton, Knaus, Billings, Harlan, Fryback, Robertson.
Third: Baker, Heine, Britt, Steckel, Wiley, Fleming.

BASKETBALL—When candidates were called together in late October, they found a new coach ready to whip in line the best team that West Side had had in the last ten years. All of the fifty-five boys were ready to help do just that so the action began. Coach Wayne's foundation of Dean, Fryback, Epple, and Knaus, the four lettermen left from last year's team, along with several first and second string members made up the squad. At once Coach Wayne started long, hard drills with his prospects. Not until late in the season did he seem to find a suitable combination. The Wayneman started out by taking Klondike, Wingate, Monticello, and Williamsport into camp after hard fights. In these games they improved greatly, although slowly. In the next twelve games the Scarlets had their ups and downs, breaking even by defeating Williamsport, Flora, Attica, North Judson, Rensselaer, and Kentland; and losing to Fowler, Battle Ground, Plymouth, Monticello, and Jeff twice. At this time things did not look any too hopeful. However, the Red Devils came to and romped over Veedersburg by a big score of 38-17. Then they downed Williamsport for the third consecutive time this season, and closed the schedule by nosing out Rossville in what was considered the best game of the season. With things looking a little brighter for the Red Devils, they put new pep into their practice and pointed for the sectional. After a scrappy fight Klondike fell. West Point, considered a real darkhorse, was easily downed, due to the new pep instilled into the team, when Jeff fell a victim to Battle Ground. On Saturday morning the Scarlet and Gray barely nosed out Battle Ground, and in the afternoon they won the Sectional Title by defeating Jackson Township. The boys practiced hard during the next week, hoping to come out on top in the Regional. However, Lebanon won the game by the score of 35-33. And so West Lafayette High School closed one of the best basketball seasons they have had in ten years. The Red Devils won seventeen and lost seven games. Congratulations, Coach Wayne and your team! This year's team was composed of five seniors: Captain Bob Epple, Howard Knaus, Kenneth Fryback, Bill Billings, and Claude Harper; of six juniors: Ross Dean, Bus Himes, Bus Robertson, Johnny Edgerton, Johnny Baker, and Dane Harlan; and one sophomore: Bob Brady. Next year we hope these seven varsity players along with Jim Dienhart, Gerald Atcheson, George Dahl, Wendell Britt, from the second squad will produce a team that will go far into the state basketball tourney.

First: Coach Sinks, Himes, Riley, Heffner, Hyman, Culp, Beisel, Johnston, Gleason.
Second: Blagrave, Burtsfield, Holden, Crepps, Breyfogle, Gabler, Miller, Walters, Barnes, Laugheed.
Third: Schwab, Merritt, Smith, Jones, Morris, Gibbs, Long, Yeager.
Fourth: Shriner, Howard, McFarland, Brown, Keller, Bosco, Baker, Mytinger.

GIRLS ATHLETICS — Athletics for girls has greatly increased within the last year because of the interest shown in the girls athletic association. There are various activities, both supervised and unsupervised, for which points are awarded. After one earns five hundred points, W. L. monograms are awarded; after one earns eight hundred points W. L. letters are awarded, and after one earns one thousand points, sweaters are awarded. Points can be obtained by participating in the following sports; basketball, baseball, tennis, volleyball, golf, hiking, skating, swimming, and being chosen on a class or varsity team. One of the outstanding events of the year is the annual basketball game between the alumni of West Side and the varsity girls of West Side. Those on the varsity team this year were Lorene Moore, Juanita Keller, Janet Morris, Norma Baker, Opal Blagrave, Mary Burtsfield, Lela Gabler, Bernadine Barnes, Marian Long, Katherine Merritt, Mary Yeager, Catherine Himes, and Alice Laugheed. Competitive games such as this offer much practice, as well as encouraging good sportsmanship. To be chosen on the varsity team is the highest honor that is awarded to any girl in basketball. This game is our means of raising money to purchase the awards for the girls. In the fall, classwork includes basketball, volleyball, and some dancing; later baseball and tennis. The work of the physical education department is under the supervision of Miss Ruth Sinks. At the beginning of the second semester intramural teams are selected and the following names were used this year: Blue Berets, Brown Derbys, Purple Asters, Red Feathers, and Orange Moons. From the various classes the girls were chosen to play on their respective class teams. The captains of the class teams this year were: Freshman, Catherine Himes; Sophomores, Bernadine Barnes; Juniors, Lorene Moore, and Seniors, Norma Baker. This year the Junior Class Team won first place by defeating the other three class teams. The state rule governing athletics requires every girl who is physically fit to take two and one-half years of gym work; however, many take it all four years of their high school career. It is very good training to correct defects, encouraging fair play, encouraging good sportsmanship, and often proving the foundation for more advanced work along this line. To some extent our girls' athletics has been hindered by the lack of equipment, but because of the renewed interest and enthusiasm displayed this year it is believed that the condition of our athletics will improve.

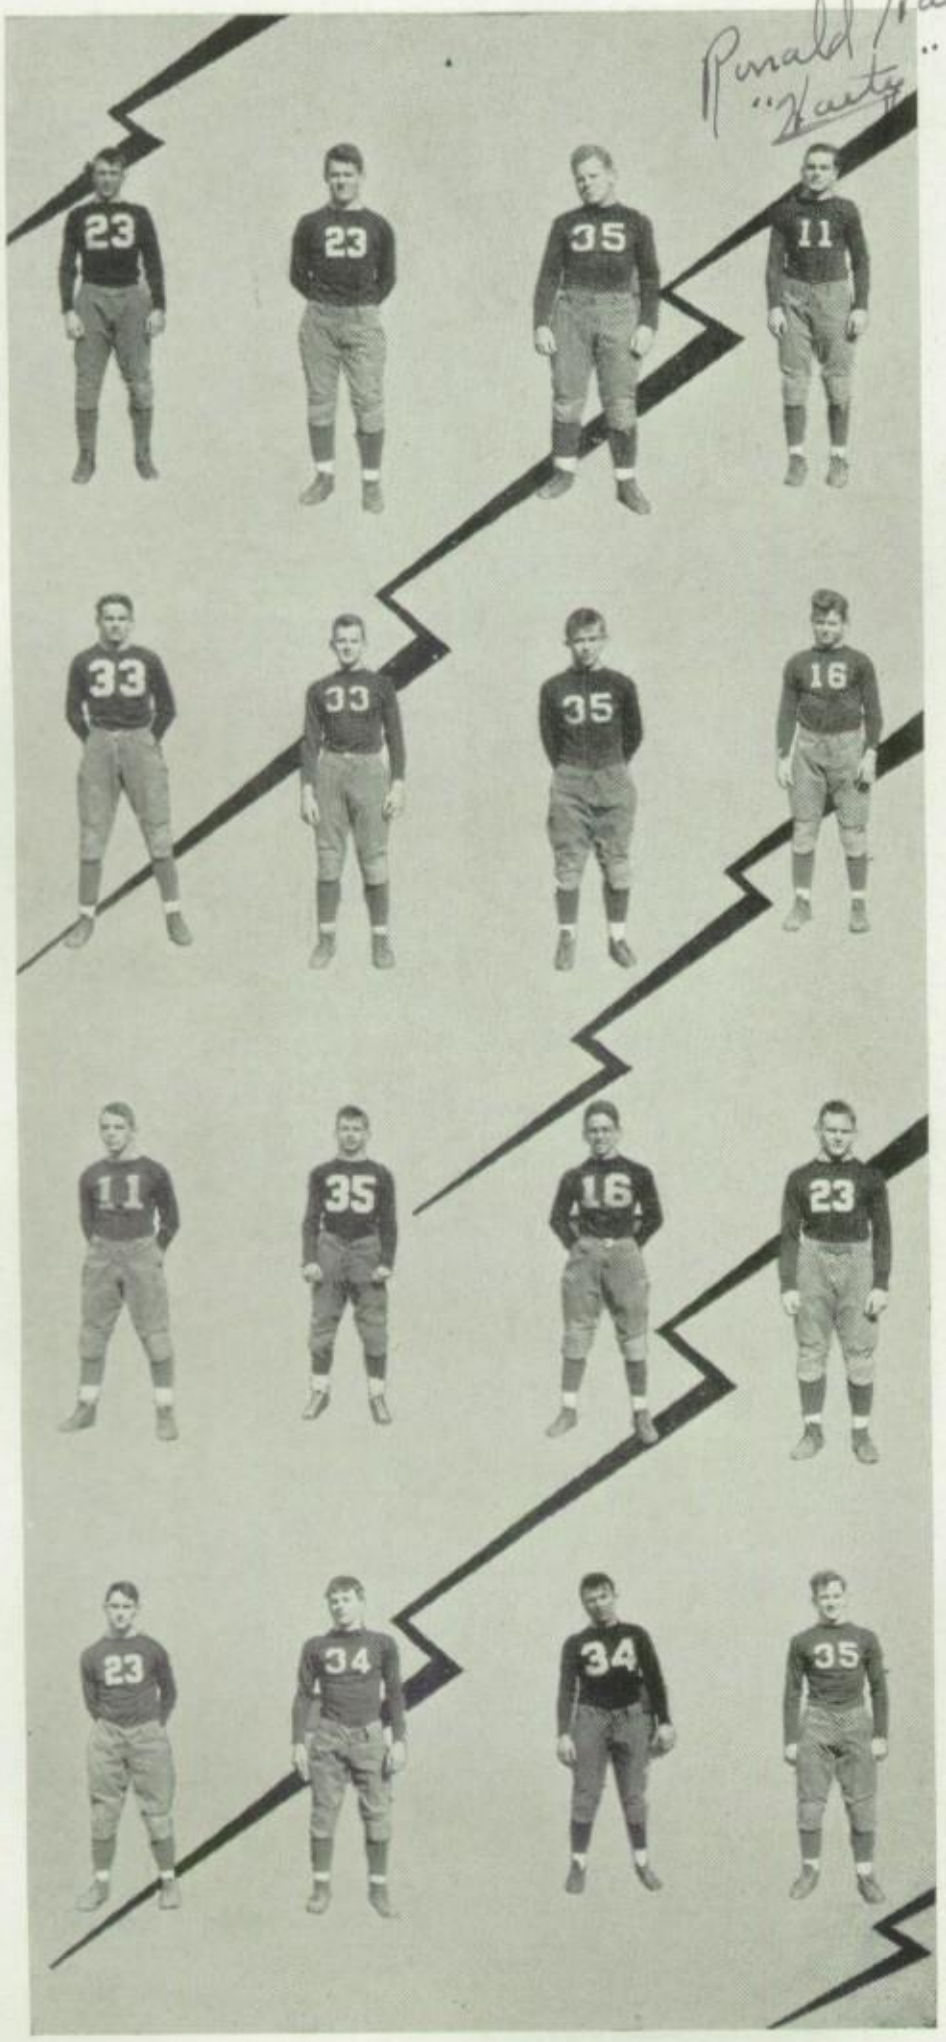
Kneeling: B. Bailey, Robertson, Brady, Doan, Knaus, Himes, Billings, Ainslie, Baker, Dean, Harper.
Standing: Coach Wayne, Knott, Wolfe, Emrick, Craig, Acheson, Ostrander, D. Bailey, Edgerton, Dahl, Walkey, Mgr. Kelley.

BASEBALL—As spring came along, we saw baseballs, bats, and gloves being pulled out of their winter hiding place. After the County Basketball Tourney the Red Devils battery men began to get in condition. Snow and cold weather kept all baseball candidates inside. However, with the battery men in good condition and two days of practice, Coach J. P. Wayne got together a team that hit Brookston all over the lot. The Waynemen won by a 14-5. With this rough idea of what West Side had, Coach Wayne began to whip a real team into shape. Ainslie is a strong back stop and is ably supported by Acheson. Robertson has the edge over Billings at first base. Knaus holds down second base with Edgerton in reserve. Himes is the best man at short with Walkey ready to help out. Dean is our third base man and is backed up by Acheson or Billings when necessary. In the gardens we have Brady, Emrick, and Baker, with Dahl, Harper and Knot as their understudies. On the mound Doan is number one man. Bob and Don Bailey, Knaus, and Dean complete our pitching staff. Then, on the sidelines we are continually hearing Coach Wayne's unfavorable as well as favorable criticism. Ed. Smith and Bob Kelly are always at our practices and games to encourage our Scarlettes. After another week of practice West Side played Brookston on their own diamond and trounced them by a 16-2 score. Then the Red Devils took Wea twice and also Otterbein, Attica and Battle Ground into camp before falling to Brook 3-2 in a tightly fought game. The Waynemen got back into form again and romped over West Point 12-4. (Won 7—lost 1.) The seniors that graduate this year are Ainslie, Emrick, Knaus, Billings, and Harper. This is J. P's third year with the baseball team, and he has most ably instilled into the Red Devils the love of the game, as well as its first points, which is proved by the fine showing of West Side.



Ronald Harte "Harte"

They're off—led by Robertson, the team is pounding down the field to meet the opponents. Bus's ability to keep the center of the line strong was remarkable.

Also bolstering up the forward wall were Craig and Warnock. They both played good ball and we're sorry Orrie won't be with us next year.

Captain Harte, senior tackle, was responsible for the wonderful sportsmanship and attitude of the Red Devils. He is undoubtedly the greatest captain West Side has ever known.

Billings and Emrick, senior ends, held up the line beautifully and although they were the targets of the opponents offense, they were always able to be counted on to do their stuff.

Jacklin, junior quarterback, was an excellent passer and k'cker. We are glad we will be able to count on him next fall.

Ainsle, Dean, and Fleming were a trio which worked very well. Dick and Ross could be relied upon to make line plunges, while Wally's shiftiness made him hard to catch in an open fiield.

Epple and Swank were both on the injury list all season. Bob and "Gene" were certainly missed and it's too bad they were not able to play.

Douglas, senior back, was shifted from center to the backfield early in the season. Here Bill was able to show any man his heels for he was the fastest man on the squad.

Brady, sophomore full, was remarkable in his ability to drive through any opposing line. He will have two more years of competition which will be greatly counted on by Coach Berkey.

Sanders, senior tackle, and Martin, sophomore guard, were two of our best linemen. They were always in there fighting and although "Burt" will leave us, we still have "Bull" to carry on and keep in there scrapping.

Fryback and Greiner (not pictured) were two forward wall men who were always able to do their best and fight for old West Side.

THOR

BASKETBALL—As the whistle blew, Billings, senior center, took the tip-off. Bill played a big part in our successful season, although this was his first year on the team. His great personality certainly helped out a lot.

Brady took Bill's tip for a short dribble. Bob, forward, did much to add up points for the Scarlettes. Bob is a sophomore and is expected to help West Side a lot to go to the State during his next two years.

Bob passed back to Epple for a shot. Bob, captain and senior guard, completed a very successful two years on the team for the Red Devils. He has wonderful character that always kept the team going.

As the quarter ends Fryback comes into the fray. When Kenny was in the game he was always fighting hard. His defensive ability was a high light in our success. He has completed two years and will be greatly missed.

Himes took Bill's tip off as the quarter begins. Bus, forward, was always ready to add a few points to help out. Bus is a junior and has another year to do much to help put West Side on the map.

Bus passed to Dean. Ross, guard, did much to ward off our opponents. He is a junior and we are sure he will show just as much ability next year as he has the past two seasons.

Time out is taken, and Knaus, guard, comes into the battle. Howard has completed two years on the team in great style. His long shots were very effective in breaking down the opponents and scoring for the Red Devils. He will be greatly missed on the team next year.

(P. S.: She didn't buy the coat!)

GOLF—During the past five years the West Lafayette High School has sponsored a golf team, during which time the teams were beaten only two times in dual meets. The victories in these two meets go to Jeff and Attica.

Last year at the state high school golf tourney, West Lafayette made a good showing as a team, with Ralph Himes winning a fourth low place for individual scoring.

West Lafayette belongs to the Mid Western Indiana Conference, of which five schools enter golf teams. Schools represented are Brook, Fowler, Monticello, Attica and West Lafayette. Each year one of the schools sponsors a tournament to which the other members of the conference are invited. Up to the present time the majority of the tournaments have been won by the West Side High.

The team, this year, should be stronger than ever because there were no losses from graduation, and because they will be inspired by the great display of interest that has already been shown. It has been the plan to send the four man team to the state tournament again this year. With the tournament as a climax they have scheduled many interesting dual meets and five conference tournaments.

The school is greatly indebted to the West Lafayette Country Club for permitting the use of the course for the holding of matches and as a place to practice.

TENNIS—A great amount of interest is being shown this spring in tennis, as over twenty boys are trying out for the team. West Lafayette High School will send five men to the Mid-Western Conference Tennis Doubles tournament to be held at Attica on the 28th of April. These five men are Robert Hoffer, William Shipley, Robert Brewer, John D. Wolf, and George Alexander. The school is holding a tournament to determine who will represent the school at the Conference singles tourney to be held the 5th of May at Kentland. Mr. Tucker, the tennis coach, also has plans for several matches with various high schools. Although tennis has not had the interest it deserved in the past, we believe it will rank with baseball as a spring sport in the future, if the school will support it.

Fri.—Out for the tourney! Beat Klondike.
Mon. 5.—Big Convo. to celebrate our winning the sectional.
Tues.—Mrs. Mueller says to "Fill the cavities in your head with air in order to give perfect speech."
Wed.—Tests and more tests.
Thurs.—Allen isn't prepared in P. S. and Mrs. Mueller says she doesn't believe it; but Bobbie Epple isn't either and he says, "I suppose you don't believe that either!" (Please laugh to please Bobbie.)
Fri.—A sizzling sound arises, Teacher yells, "Please stop that noise!" Bill Charles gets up and walks clear across the assembly and shuts off the radiator.
Mon. 12.—Senior play cast announced. Luck to "Seventeen."
Tues.—Exams. Helen Fleming leaves school to join the "Scar Tummy" club.
Wed.—Reports again. The new conduct grade means "Honor"—if you get it and "heck" if you don't.
Thurs.—In German class, Miss Meyer says, "Now where are we?" Kenny Barnette volunteers, "We are lost, the captain shouted!"
Fri.—George Sherman recited! Out of lots of classes to hear the state tourney.
Mon. 19.—Logansport emerges victor. Lots of roller skating.
Tues.—Everybody's getting shot for tuberculosis.
Wed.—More shooting.
Thurs.—Miss Sinks, "What's the matter, Bob, can't you write smoothly?" Bob: "Oh, nothing, just a case of 'Hiner' nerves, I guess."

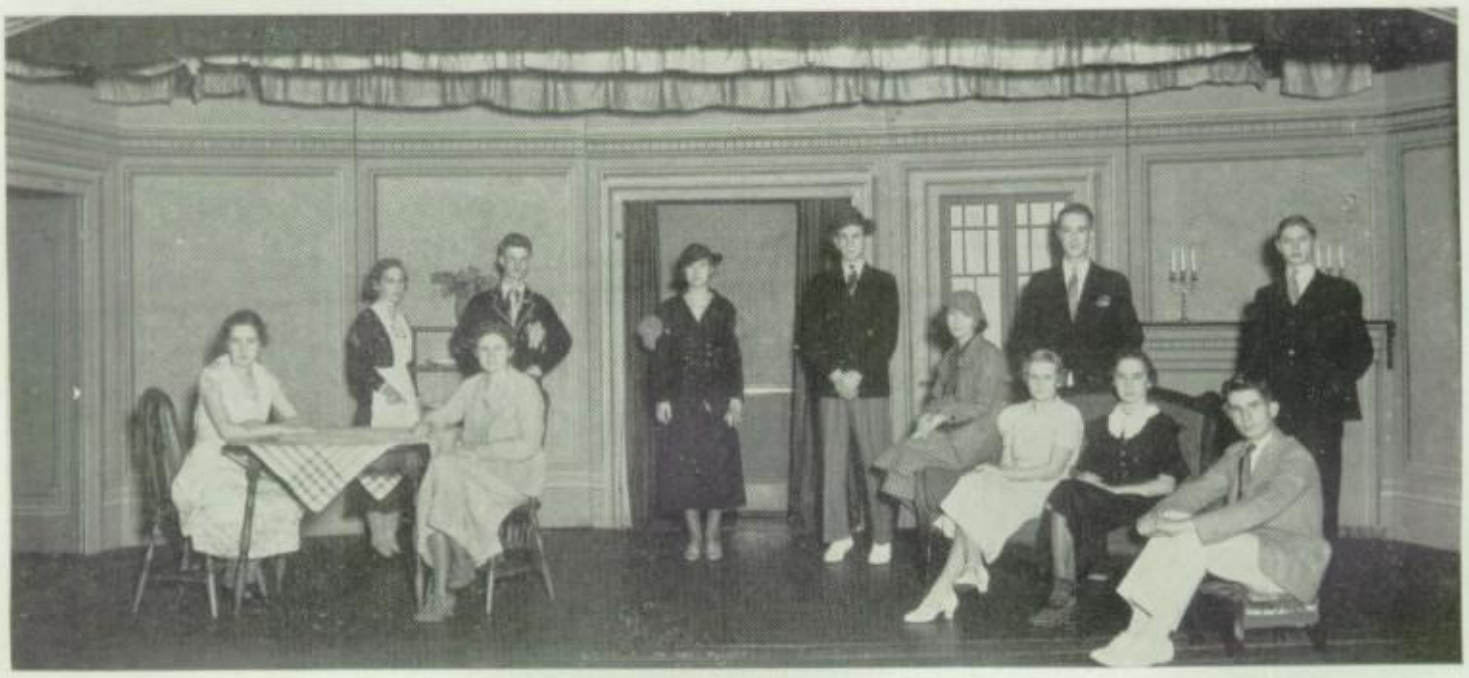
Fri.—S. S. S. Carnival. Ross and Bob were really "roped" in!
Mon. 26.—Busy decorating the gym for a big affair. We mean to honor these basketball players!
Tues.—Scarlette-Hi-Y banquet a grand success! Bobbie Epple properly elected honorary captain.
Wed.—Tri-Y meeting. We take it that the freshmen girls want it to be a "date" party.
Thurs.—Out for spring vacation.

APRIL

Mon. 2.—Irene Jackson tells the public speakers that she wants more vacation.
Tues.—HOT—How can we study? White shoes appear.
Wed.—Claude Harper recites in Civics class!
Thurs.—Miss Sinks disturbs Harte's and Billing's card game; but Bill says, "Can't we just finish this hand?"
Fri.—Epple gets restless the first hour and suggests that the clock may be slow.
Mon. 9.—Session 13 extends their hearty thanks for the fun when Don Bryan brings Susann Berkey in to visit.
Tues.—Beat Brookston.
Wed.—In civics class, Mr. Dean says, "Virginia, hold up your right hand and swear!" She should have said, "word-it."
Thurs.—"Oh! You got a haircut!" they cry. Sarcastically, the Annual editor replies, "Naw, I just washed it and it shrank." (Civics classes, please don't read.)
Fri.—Bobbie Epple elects himself general bell-ringer. Miss Rothrock probably appreciates it.
Mon. 16.—Scotty visits office again the first hour. Beat Battle Ground.
Tues.—The clock is probably slow——Beat Otterbein.
Wed.—Revenge at Battle Ground for the basketball game we lost last season.
Thurs.—Senior play tonight and tomorrow night. Big success.
Fri.—Convo. first hour. Good lesson on "the Blind Spots," by David Wulf Anderson.
Mon. 23.—Winnie dramatically leaps out of the window in session room fourteen. Bob Wiley looks on in mental anguish—.
Tues.—Public Speaking students "Oh!" and "Oh!" as Mrs. Mueller walks in with strange man.
Wed.—Mr. Dean says we are now studying nationalism, Communism, and all the other "isms."
Thurs.—S. S. S. Mothers' Tea. John and Edna Faye are seen walking up the stairs together—New crush!
Fri.—It surely has been a great year, hasn't it, fellow sufferers?

When the years have sped behind you,
However dusty though it grew,
Dig out your old and trusty annual.
Recall the scenes once dear to you.

Annual Goes to Press



SENIOR PLAY

The Senior play, "Seventeen," by Booth Tarkington, was a huge success. Presented April 19 and 20, the play had a good audience both nights.

All the members of the cast did exceptionally well and deserve a lot of praise. Robert Heine as seventeen-year-old Willie, Catherine Cromer as his little sister, Jane, Virginia Sidwell as Lola Pratt, and Marjorie Blalock and Bill Kimmel as Willie's worried parents turned in fine performances in their difficult roles. Margaret Fantone, Bill Billings, Bob Wiley, Claude Harper, Allen Christy, and Eugene Swank also were very good, as were Mary Shriner, Lucien Jones, and Ernestine Brown. Many have said that the play was enacted with almost professional art. It was enjoyed by everyone and enthusiastically received on both nights by almost full houses.

Financially, the play was also a great success. Much credit is due the Seniors and the coaches, Miss Sinks and Mrs. Mueller, for putting on such a successful production.

JUNIOR PLAY

"Sonny Jane," a most amusing mystery play, was successfully staged by the Juniors in November. With Betty Hiner and Robert Cooley playing the leads, and with Winifred Gregory, Joe Doan, Robert Skinner, Catherine Ann Cromer, Virginia Huffman, Mary Cooley, Ruth Wiley, Margaret Jones, Donald Bailey, and William Wilson supporting them, a fine performance was given. The Juniors and the coach, Miss Sinks, deserve much credit for the fine production.

HI-Y-TRI-Y PLAYS

The Hi-Y and the Tri-Y Clubs of the school worked together in presenting three enjoyable one-act plays in order to raise money. "More Than a Million" starred Ruth Owen and Dorothy Wierenga in a fine performance. In a lighter vein were the two comedies, "Thanks Awfully," with Robert Skinner, Catherine Cooley, and Ella Lou Sexson as the leads, and "Our First Performance," with William Douglas, William Wilson, Robert Wiley, Ronald Creek, Charles Coe, and Delbert Greenwood taking the roles. All three plays were well staged and showed the fine work done by the cast and Miss Schaaf, the coach.
